

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 1, 1995

SUBJECT: **SB 969 - HB 742**

This bill, if enacted, will allow counties to pass ordinances requiring annexations by municipalities to be approved by a majority of the property owners and residents of the area to be annexed.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government expenditures to the extent elections are held for approving annexations which would not have been held in the absence of the bill. A reasonable estimate of the increase cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
